

Key West 2-Bedroom SLIM

CAPACITY: Sleeps 4

FLOOR AREA: 32.7 m²

(usable interior floor area) calculated according to the UNIVDL definition

DIMENSIONS: 8.57 x 4.45 m
(overall)

The KEY WEST 2-bedroom SLIM joins the Key West range. It owes its name to its deliberately compact dimensions, designed to make the most of every square metre whilst ensuring plenty of light, a free-flowing layout and a high level of comfort. A new product that combines modernity with clever design.

2-bed Key West SLIM standard equipment

OUTSIDE:

Wild wood-effect cladding, 4-sided, in Muscade or Dune, horizontal installation
Exterior window frames in black-brown:
Three-panel sliding glass door in the living room at the front of the house and a fixed window at the rear
