

Key West 3 Bedrooms

CAPACITY: Sleeps 6

FLOOR AREA: 40 m²

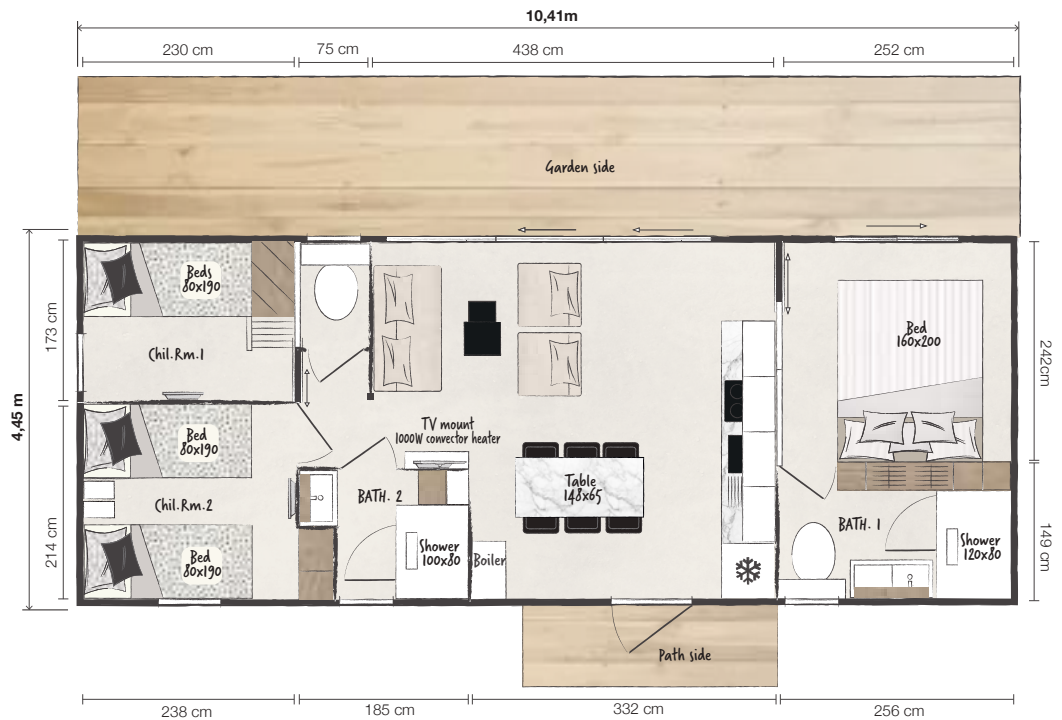

(usable interior floor area) calculated according to the UNIVDL definition

DIMENSIONS: 10.41 x 4.45 m
(overall)

Kitchen with integrated microwave options

A haven of peace for large families who love spending time together but also like having their own space. The master suite and the children's/guest's bedrooms are cleverly arranged to ensure privacy. From the master suite, the direct access to the terrace through the 2-winged bay allows you to leave without having to cross the living area.

3-bed Key West standard equipment
